

HUNSHELF PARISH COUNCIL

MEETING ON 2 NOVEMBER 1989

Motion;

1. That the Parish Council make an approach to the Barnsley MBC to have use of the Green Moor school building on an "ownership transfer" basis with reversion to Barnsley MBC should community use cease, or, failing that on a "peppercorn" rent basis.
2. That this ownership transfer/tenancy be a commitment for two years only (this not to be indicated to Barnsley), and that a stringent review of the situation be made after one year.
3. That in view of the short term nature of the commitment, maintenance of the building be only on a short term basis, i.e. emergency repairs, minor maintenance and cosmetic repairs only. Any major construction or refurbishing work to be deferred until after the two year period is over.
4. That the following people be invited to form a "Parish Community Centre" management group;

Kath Austin
Keith Pennington
Pat Prince
Willis Squires

That the Parish Council make appropriate nominations to this body.

5. That the group be mandated to
 - a. Set out formally the terms and conditions of use and the management structure and to report back to the Parish Council by a set date.
 - b. Establish use of the centre and encourage further use.
 - c. Make preliminary budget requirements and indicate how those requirements may be funded.

David Horsfall
