

20th June 1988 -

Mrs. Stubbs and Mr Horsfall reported on the joint meeting of Oxspring and Hunshelf representatives to agree a representative to the Oxspring School Governing Body. They reported that the meeting had a great deal of good will towards Hunshelf and its situation regarding representation and they had accordingly withdrawn their position at the meeting. A subsequent letter from Oxspring outlined the situation whereby Oxspring's representative to the Governing Body would recommend that Hunshelf Parish was represented in future. It was agreed that both Parishes would write to the DES to ascertain if the interpretation by Barnsley MBC that only one representative of a minor authority could serve on a school governing body was correct.
