intentions:

- 4.2.1 Permission has been granted for three dwelling, it is proposed that six dwelling in total will be built, but this is dependent on a further planning application being successful and an access road being constructed.
- 4.2.2 Regarding the clause in our deeds "TOGETHER with the right to take and carry away loose stone and rubble from the area hatched blue on the said plan", he pointed out that there was no mention of this on the vendors deeds.
- 4.2.3 If planning permission for the six dwellings is agreed, the developers will require land from the Parish Council, he suggested that areas of land could be transferred between both parties but part purchase would be necessary.
- 4.3 Councillor Mrs Stubbs questioned the conditions of planning consent for the three dwelling being built. Mr Mario Monfredi admitted that both properties had not been built according to plan layout, their architect appeared to be unaware of this mistake.
- 4.4 The boundary line between the Delf and the development was then discussed, it was agreed by both parties that this was correct.
- 4.5 The developers were asked to put their proposals regarding additional land they require, in writing, to the Parish Council. They agreed to this proposal and then left the meeting.
- 4.6 The Clerk was asked to contact the Planning Enforcement Officer due to their admitted contravention of the planning consent, he was also asked to approach the Planning Officer to ask if planning approval for the further development can be delayed until an agreement on the required land is reached between the builder and the Parish Council.
- 5. Hunshelf School
  - 5.1 The Chairman reported that a letter had been received from BMBC regarding the School and asking for a formal application to be made to the authority if the Parish Council are still interested in pursuing the proposals for community use of the premises.
  - 5.2 It was agreed that the Council apply formally to use the School for community use and ask for a meeting to discuss how this might be implemented.
